

## Lytchett Minster School

Site Address	Post Green Road, Lytchett Minster, Dorset
Facility	Synthetic Turf Pitch (STP) - 89 x 49m plus 2no. 10.0m x 3.0m goal alcoves Non Turf Cricket Facility - 4 bay practice facility with full batting & bowling ends
STP System	<ul style="list-style-type: none"> <li>✓ Dynamic granular stone base</li> <li>✓ Sand Envelope System® performance control layer</li> <li>✓ Sand Dressed Tufted Manufactured Synthetic Grass</li> </ul>
Other STP Features	<ul style="list-style-type: none"> <li>✓ Rigid panel fencing with internal timber kickboard</li> <li>✓ New macadam surfaced access path</li> </ul>
Built	Spring 2009
Specialist Contractor	S & C Slatter Ltd
Build Cost	£480,000 + VAT
Point Benefits	<ul style="list-style-type: none"> <li>✓ Enhanced and versatile space for PE &amp; sports development</li> <li>✓ High quality hockey surface for improved coaching and practice</li> <li>✓ Robust and durable facility for external sports &amp; community groups</li> <li>✓ Easy maintenance</li> </ul>
Point of Interest	<ul style="list-style-type: none"> <li>✓ The footprint was constrained by site boundaries to 3 sides and a mature Chestnut Tree with an associated tree protection order (TPO) to the open aspect.</li> <li>✓ The design had to to maximise the space available without ingressing into the TPO and as it was within a conservation area, fit into the natural surroundings.</li> <li>✓ The addition of the 4 bay cricket practice facility means the school has become a hub for the Dorset County Cricket Elite Performance Programme.</li> </ul>
