

# SYNTHETIC multi-use-games-areas

Client	Our Lady Catholic Primary School
Site address	Old Chapel Street, Edgeley, Stockport, Cheshire SK3 9HX
Size	37.00m x 18.50m + goal recesses
Playing surface system	3 <sup>rd</sup> Generation synthetic grass overlaying new NottsPad shockpad layer with a dynamic stone foundation
Points of Interest	<p>The new facility updated an old tarmac ball court that was in poor condition with severe falls. The School wanted a high quality football pitch on which recreational /coaching level hockey and general activities could be played.</p> <p>Due to the remodelling of the existing levels, a timber retaining wall was designed to create a compliant level sports pitch for the new facility.</p>
Specialist contractor	Sodexo Land Technology Ltd
Completed	Summer 2009
Priority sports	Football
